

# Support MGMEI

The mission of MGM Eye Institute is to provide most advanced eye care to all segments of the society especially the underprivileged. Those who are economically weak are also receiving the same quality of services totally free of cost with utmost care and dignity. We intend to be self-sustaining organization with a resolve that such services shall be no less than the 50 percent of our total services. Every patient receives the highest quality care, irrespective of caste, creed, sex, religion or ability to pay for surgeries at the hospital. We intend to perform 50 % of total treatments absolutely free of cost — by the same doctors, at the same operation theatres and with the same post-operative care, as paying patients receive.

*"Eye Care for All - Equal Care for All and Equality in Quality is our Motto"*

Your contribution towards supporting the MGM Eye Institute's mission will be utilized in several ways for eradicating needless blindness among the underprivileged & economically weaker section of the society irrespective of socio-economic condition, caste, religion and gender. Through your support we can serve the economically weaker section of the society and endangered tribal communities with the gift of vision.

Here are some possible areas where your contribution would be used:
