Volume - III, 2018

MOU was signed between MGM Eye Institute and Dr Pringadi General Hospital at Medan, Indonesia for training of ophthalmologist in MGMEI from Indonesia. Dr. Deepshikha Agrawal, Director MGM Eye Institute, visited Dr. Pirngadi Hospital, Kota Medan, Sumatera Utara, and had meetings with Mayor & Director – University of Muhammadiyah, Sumatera Utara. Visited OT of Dr. Pirngadi Hospital, Sumatera Utara and Putir Hijau Hospital, Kesawan, Medan and University of Sumatera Utara. She also attended 15th August Independence day celebration with Consulate General of India and participated a free eye check up of patients hosted by Koffie Foundation Charitable Trust.

Director Dr. Deepshikha Agrawal and consultant Dr. Samrat Chatterjee attended the **ESCRS 2018 conference** held at Vienna, Austria from September 22nd to 26th. Two posters were presented with topic Cataract surgery and penetrating keratoplasty: sequential vs combined procedure and Cataract surgery in ocular tuberculosis: visual outcome and prognostic factors.

A delegation of five members including Dr. Suryadi Panjaitan, **Director of Dr Pringadi General Hospital** had a formal visit to **MGM Eye Institute**. The delegation met consultants of MGM and they also appreciated the world class equipment, operation theaters, infrastructure of the institute and eye care services

NABH mock drill for CODE RED was held at MGMEI with the fire fighters demonstrating evacuation process and fire fighting in different situations in the premises of the institute. All the staff and Doctors actively participated in the drill.

On the occasion of **Eye donation fortnight** from 25th August- 8th September, 2018 various public awareness programs were done by MGM Eye Bank. A **nukkad natak** was performed by staff and trainees of MGM Eye Institute at Marine drive, Raipur on 2nd September. This was well appreciated and drew large crowds. During the fortnight over 4000 pledge forms were distributed.

MGMEI participated on the occasion of **Chhattisgarh Foundation Day celebration (Rajyotsava)** from 1-3 November '18. MGMEI exhibited the stall with a number of informative brochures relating to services available at MGMEI, sensitized public of different eye ailments and its cure and importance of comprehensive eye care and hygiene. MGMEI also publicized its facilities through different movie shows on projector and organized camp for comprehensive eye check-up in which around 300 people were examined and spectacles were dispensed.

Dr. Anupam Sahu consultant from MGM Eye Institute attended **Annual Orbis India Partner's meet** on 22nd September 2018 at Choithram Netralaya, Indore and shared experiences with the partners. The highlight of the meet was a session on training and education by Dr. Karl Golnik from Cincinnati Eye Institute, USA

LIFE BEYOND VISION

Disfigured eye is not only a cosmetic problem rather it also has a noticeable impact on the social, personnel and professional life of the patient as well as their family. **Custom Ocular prosthesis services** of MGM Eye Institute cater to the needs of all the patients with the requirement of a customised prosthesis eye (an artificial eye) which is being fitted into the socket of the patient after his/her eye has been removed (Enucleated/Evisceration) due to many reasons like, trauma, infection, tumor etc.

Services
