Issue - IV, 2019

Dr. Deepshikha Agrawal, Director, MGMEI presided as co-chairperson in Ocular Trauma Symposium at **19th Annual Conference CSOS 2019** held on 21st and 22nd December in Bhilai. Dr. Swapnil Parchand, Retina Consultant got Gold medal for Best video and Dr. Samrat Chatterjee, Cornea and Ant. Segment Services Consultant received Gold medal for State best paper award and Best paper of conference - AIOS recommendation. Papers were presented by the DNB, trainee doctors and Fellow doctors along with presentations and session chairing by Dr Debasish Das, Glaucoma Consultant, Dr Mihir Mishra, Oculoplasty Consultant and Dr Anil Gangwe, Retina Consultant.

MGMEI celebrated **World Prematurity Day** on 17th November 2019. Retinopathy of prematurity(ROP) is a vision threatening retinal disease of premature babies and if treated on time, vision can be saved. On this occasion MGM ROP club was formed which will provide common platform to parents of ROP kids to share their experiences & to facilitate problems they are facing. This is happening first time in INDIA. This also marked the successful treatment of 250 ROP kids at MGM Eye Institute.

Various Eye screening camps relating to cataract , Diabetic retinopathy and other eye diseases were conducted in the rural areas and also in the semi urban areas with the aid of the MGMEI Mobile Van and MGM outreach team. Patient requiring treatment were brought to MGMEI and surgery was done free of cost .

MGMEI celebrated **Foundation Day** on 22nd November 2019 successfully completing 15 years in the field of ophthalmology Committed for better ophthalmic services, teaching and training with a small seed planted 15 years back is now a giant tree. Last year was extremely successful for MGMEI, as we were awarded by NABH certificate, we started 9 modular OTs and we shifted to all new EMR system for paperless work.

Motivational talk on “**Enhancing Personal Effectiveness & Motivation**” was organised at MGM Eye Institute on 14th November 2019 by Dr. Monika Sethi (Head SCRM) a well known Trainer for Management Development Programs & Faculty Development Programs. She engaged MGM staff and doctors in group activity with interactive session and real time projects.
